12:30–12:45	Final Workflow Submission
12:45–01:00	Demo Preparation
2:30 ONWARDS	Team Demonstrations & Evaluation

BUILD SUBMIT PREPARE DEMONSTRATE

TOOLS, SUBMISSION & EVALUATION

Allowed Tools & Integrations:

- > n8n Workflow Nodes & Code Nodes
- > Webhooks & REST APIs
- > Google Sheets / Databases
- > Email & Messaging Platforms
- > AI / LLM APIs
- > getJSON & External Services

Final Submission:

1. Working n8n workflow
2. Problem statement & solution description
3. Workflow export / configuration details
4. Live or recorded demonstration

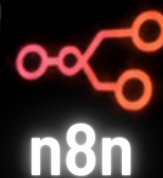

Judging Criteria – 100 Marks:

Problem & Idea	20
Automation Workflow	25
Technical Implementation	20
AI / API Integration	10
Practical Usefulness	15
Demo & Presentation	10
TOTAL	100

PRIZES & REGISTRATION

PRIZE POOL

₹5,000

1ST

1st Prize — ₹2,500

2ND

2nd Prize — ₹1,500

3RD

3rd Prize — ₹1,000

TEAM REGISTRATION:

2 Members per Team

₹300 / Team

Registration QR

Basic Rules:

- Exactly 2 members per team.
- Automation must be developed during the allotted 3-hour challenge.
- Existing APIs, AI services and integrations may be used.
- Workflow must be demonstrable and connected to the stated problem.
- Teams must explain and demonstrate their final output.
